

ECOVILLE

the farm

“And into the field I go
to lose my mind and find my soul”

Ecoville offers an opportunity to disconnect with technology and reconnect with nature. This is the one place where you wouldn't mind your kids getting themselves dirty. Throughout the year we host various workshops, events, eco-retreats, intimate musical concerts, knowledge sharing sessions, pet picnics, outdoor movie nights, etc. for kids, artists and anyone who loves to learn something new whilst spending time with nature.

Ecoville is an art farm that amalgamates creativity and fun in a natural setting. Be a part of various creative workshops for people of all ages. Join us at festive events or simply host your own private gathering. This is a natural canvas that you may paint to your desire.
